Profile and Summary

I am a motivated and creative college student of RV University. I know HTML, CSS, and C, with a proven ability to design and develop websites. I am skilled in project management, communication, and leveraging

analytical thinking to tackle challenges. I am also a musician, creative writer, and public speaker with a strong interest in contributing to various projects while focusing on academic pursuits.

Education

Std.	Board	Institution	Marks
II Pu:	DPUE Karnataka	RV PU College	96%
I Pu:	DPUE Karnataka	RV PU College	95%
10th:	KSEEB	Shree Bharati Vidyalaya	98%

Work Experience

I am a fresher who is eager to learn and work but with no formal work experience of such. But I do have experience of doing many projects for college and various groups. One of them being Dhvani Muzics- a youtube channel for classical and fusion music. I have been involved in the website development, social media management, content writing, marketing team and am one of the founding member of the group.
